

Showcase Info

October 14th

11:00-2:00

Dublin Scioto High School

Players and Coaches,

Please forward on the information to your players about the showcase. Attached is the itinerary for the day. Send out the itinerary for the Showcase below. Let your players know about the showcase on October 14th.

Showcase- We will be hosting an open showcase for the league on October 14th for all players. This will be held at Dublin Scioto HS. It will begin at 11:00 am. The itinerary is below. Each player will receive an evaluation from the showcase. A player may choose to be evaluated at one of the following positions: catcher, infielder, or outfielder. Players who are pitchers may also be evaluated at the pitcher position as well as one other primary position, but must indicate when registering that they are both. Players must register by email at manninosgrandslamusa@gmail.com for the showcase. Please indicate in the email what position you are going to be evaluated at along with your current grade and High School. **Players must register by Thursday, October 11th.**

All Stars-

We decided to forgo the All Star game this fall due to us having a make-up weekend of games. After talking to coaches we figured it was best for everyone to have the opportunity to play another weekend. I am asking coaches to still give me nominations to recognize players that had a good fall. We will still recognize these kids as All Stars from the league this fall.

Information about the Showcase...if players are not familiar with what a Showcase is and why do you do a Showcase, we try to answer some of those questions. We think it is important to run the kids through a Showcase so they know what to expect if they do attend one. A Showcase is held, usually by colleges, to determine and measure certain aspect of the game that then helps out with an evaluation of a player. Things evaluated are Speed and quickness, velocity, glove work, batting (exit speed), mechanics, pitching, and overall athleticism. Each player will receive an evaluation from our coaches. Our evaluators are former coach coaches, pro scouts, and former college players. Players will run the 60 yard dash, take balls in the infield and outfield, catcher's will get their pop times, arm velocity (from their position), batting, and pitching.

Players will get an evaluation along with coaching points from the coaches about what you are being evaluated for and be told what college coaches want to see at these Showcases.

Hopefully this will prepare each player for his baseball career at the next level. It also will help a player know what he needs to improve to be considered at the next level or what a player needs to do to make himself a better player where he is at right now.

Thanks,
Brian
